

The UTSA SBDC PTAC will host three Business Matchmaking Events in three cities designed to provide as many small business owners from all industries the opportunity to connect with prime contractors, local, state, and federal agencies. The desired outcome includes connections for the large and small business owners, networking, and immediate connections for current or future contract opportunities.

Small Business Owners- Please get registered and you may have to go back in the system to as more buyers get registered. You will select who you want to meet with and schedule your own meeting time.
