

Free Spanish OSHA 10 Hour Construction Class

WHEN

Monday, June 26th , 8:30am - 4pm

Tuesday, June 27th, 8:30am - 3pm

Brought to you by the Texas Department of Insurance, Division of Workers' Compensation, this training program is designed as a **general orientation course** to provide construction workers information about their rights, their employers' responsibilities, how to file a complaint and how to identify, abate, avoid, and prevent job-related hazards on a construction site. Emphasis is on accident prevention.

All training materials, including the participants' books and handouts, will be provided at the training center.

All persons completing the ten hours will receive an OSHA course completion card within 2-6 weeks.
